## **CORPORATE SPONSORSHIP PACKAGE**

### **About Our Association**

Quesnel and District Minor Hockey association provides the opportunity for both male and female children aged 5-18 to play organized hockey in our community. We have approximately 400 children in our hockey program annually.

Our Season officially begins in September with player evaluations, team selections, coach selections and scheduling. Our first games begin as early as mid-September as the players are eager to begin the season. Practices take precedence as we intend to develop our players and teach them the many skills of hockey. Games are usually held on the weekends with the stands full of family members cheering on their children.

Quesnel Minor Hockey Association has a dedicated group of volunteers that keep our organization moving forward. Both the Executive members and Coaching Staff are committed to ensuring a positive hockey experience for our youth.

Our association is affiliated with Hockey Canada, BC Hockey and North Central District Associations...Quesnel Minor Hockey is a non-profit organization run by a volunteer Board of Directors.

For additional information or to become involved with Quesnel Minor Hockey please contact our office.

Sincerely,

Quesnel & District Minor Hockey
